## EDUCATION

---

### **Bachelor of Science in Interior & Product Design**

May 2021

University of Nebraska–Kearney (UNK)

- GPA: 3.91

### **Coursera *Making Architecture* Certificate**

February 2019

IE School of Architecture and Design

## EXPERIENCE

---

### **Lead Architectural Drafter/ Designer**

September 2020 – May 2021

Mead Lumber, Kearney, NE

- Create Revit blueprints and 3D renderings while applying keen attention to accuracy, neatness, and functionality
- Implement designs aligning with structural evaluations, site surveys, zoning requirements, and applicable codes
- Conduct meetings with clients to determine their space-planning needs with consideration to budget and aesthetics
- Coordinate designs with salesmen, estimators, and contractors to ensure timely and accurate design execution

### **Interior Design Intern**

June 2020 – August 2020

Goodlife Architecture, Kearney, NE

- Developed detailed Revit model of interior design proposal for 3,700 sq. ft. Valentine City Hall facility
- Researched, selected, and specified all materials, finishes, lighting and furniture (including custom millwork)
- Prepared design documents including room finish schedule, furniture schedule, furniture/finish floor plan, and RCP
- Collaborated with architect to create design package and produced image/video renderings to present to client

### **Interior Design Fabrication Lab Teacher Assistant**

January 2019 – April 2020

University of Nebraska, Kearney

- Demonstrated expertise of Epilog laser cutter by fabricating sample projects and training students on proper use
- Worked closely with professor to research the use of 3D printing and virtual reality (VR) technology in the interior/product design industry and report findings on further incorporating these technologies into the curriculum
- Produced simplified documentation on advanced operation of 3D printer and laser cutter to foster lab use

## INVOLVEMENT

---

### **American Society of Interior Designers (ASID)**

September 2019 – Present

### **International Interior Design Association (IIDA) Member & Liaison**

September 2018 – Present

- Organize IIDA exclusive student events by communicating with guest speakers and planning fun activities
- Promote student engagement in IIDA/memberships by speaking at meetings and distributing announcements
- Participated in IIDA mentorship program and 2020 IIDA Healthcare Student Design Competition

### **Phi Eta Sigma Honor Society**

February 2018 – May 2021

### **Student Interior Design Organization (SIDO)**

September 2017 – May 2021

### **Volunteer Math Tutor, UNK**

January 2018 – May 2018

- Strengthened mathematical skills by volunteering to run a study group for students enrolled in UNK math courses
- Developed study plans and determined most successful approach for each individual's learning style

## SKILLS

---

**Software Applications:** AutoCAD, Revit, Bluebeam, SketchUp, Photoshop, Illustrator, InDesign, 2020 Design
